---

**Mansfield, PA.** — The Mansfield Destroyers are looking for Host Families for the inaugural 2019 season.

The Destroyers roster for the 2019 summer will include players from all over the nation which means those players will need new homes for the summer. Placing our players in good and positive environments is one of the most important things we can do for them to help them feel at home. The Mansfield area will be their home from June through the beginning of August and staying with a host family gives the players a smooth transition to their new home. By the end of the summer, the players are not merely guests in your home, but members of your family.

**What do host families do for the players?**

-Host families will provide a room and bed for a player(s) for the entire season, June through the beginning of August.

**What host families DON'T do.**

- Host Families do not need to provide transportation for the player, as they will have their own transportation to and from games and practices.
- Host families do not need to have children to host a player.

**What do YOU get?**

- You receive a stipend
- You and your family will receive season tickets and invitations to special pre and postseason host family events.
- The chance to make a positive impact on a young man's life.
- The opportunity to get to know a potential Major League Star!
- Plenty of smiles and memories that will last a lifetime.
