WARD MFG

The Destroyers in partnership with Ward Manufacturing would like to invite your team to participate in the Destroyers Baseball program. All home games are played at Shaute Field located at Mansfield University.

The Destroyers along with Ward Manufacturing will give each player two tickets to a game and a free hotdog with a water or juice box.

The Baseball Buddies will meet and greet and hang out with the Destroyers before the start of the game. They will also have an opportunity to play catch and get players autographs. The Buddies will then accompany the players to their position for the playing of the national anthem.

The Mansfield Destroyers are a non-profit organization that brings a family atmosphere to summer baseball. The Destroyers play in a summer wood bat development league for collegiate baseball players. They play in the New York Collegiate Baseball League (NYCBL) where there are two divisions and currently ten teams active. Destroyers will open up play in their inaugural season at Shaute Field in Mansfield PA. They have a 35-man roster and will play 22 home games and 24 road games. Games are played beginning in June and ending the last week of July with the League Championship Series concluding in the first week of August.
